

# Vaccinations for Adults

**Adults need  
vaccinations  
throughout their lives,  
whether it's new vaccines  
or booster shots.**

## **Don't know what you need?**

Ask your healthcare provider or contact your health department.

## **Tetanus, Diphtheria, Pertussis (Td, Tdap)**

Adults need a Td booster every 10 years. Tdap is recommended once for adults under 65.

## **Don't have insurance that covers the cost?**

- If you are uninsured
- If your health insurance doesn't cover vaccinations
- If you haven't met your deductible

You may be able to get **LOW-COST** vaccinations at Redwood County Public Health.

Clinics will be held from 9:00am to 11:00am on:

- June 16, 2010
- July 7, 2010
- July 21, 2010
- August 4, 2010
- August 18, 2010
